Guru Har Rai Academy, Kanpur (CISCE)

Higher Secondary: **82.75%**

Kanpur, India

Secondary: **80.6%**

2022

2020

Experience

Research Associate Intern – Wantstats Research & Media Pvt. Ltd.

May 2026 – Jul 2026

- Contributed to **100+ market research reports** across Healthcare, Automotive, Energy, ICT, Manufacturing, and Chemicals.
- Analyzed market size, competitive landscapes, company profiles, and industry trends to identify market opportunities and business insights.
- Synthesized qualitative and quantitative research into structured reports supporting strategic decision-making and competitive intelligence.

Product Experience & Projects

Founder – SVIAS (Smart Voice Isolation & Amplification System)

Jan 2026 – Present

- Building an AI-powered accessibility product focused on voice isolation and speech enhancement for real-world communication challenges.
- Conducted **user research and customer feedback analysis** to validate the problem, identify pain points, and understand target user needs.
- Translated user needs into **product requirements, user stories, and prioritized features** to guide product development.
- Developed an initial **product roadmap**, prioritizing features based on user value, feasibility, and product objectives.
- Evaluated competing solutions to identify product gaps and opportunities for improved usability, accessibility, and differentiation.

Driver Safety & Fatigue Monitoring Solution

Sep 2024 – Dec 2024

- Designed a user-focused solution addressing driver fatigue and road-safety challenges.
- Researched user pain points and competing solutions to identify product requirements, feature opportunities, and usability improvements.

Leadership Experience

AWS Student Builder Group Leader – Amazon Web Services (AWS)

Jun 2026 – Present

- Lead a community of **400+ students** and coordinate **20+ volunteers** across technology programs and community initiatives.
- Plan and execute workshops, networking sessions, and technical events in collaboration with AWS representatives and campus stakeholders.
- Gather participant feedback and engagement data to improve event formats, learning initiatives, and overall student experience.

Vice President – AWS Cloud Club

Feb 2025 – Jun 2026

- Coordinated technical workshops, sponsorships, volunteer teams, and event operations while supporting community growth.
- Applied project management and Agile principles to plan initiatives, coordinate teams, and deliver programs within defined timelines.

Lead Coordinator – Health Hackathon 2026

Feb 2026

VIT Bhopal University × Johns Hopkins University

- Coordinated volunteers, logistics, registrations, stakeholder communication, and event operations for an international healthcare hackathon.
- Managed cross-functional teams and resources to deliver the event within defined timelines and operational requirements.

General Secretary – Nature & Trekking Club

Feb 2025 – Feb 2026

Led student teams and coordinated logistics, communication, and execution for campus engagement and environmental initiatives.
